

TO APPLY TO THE COMPARATIVE COGNITION LAB. Follow the instructions below. Email complete application to Cassandra Sheridan (clsherid@iu.edu) with the email subject Spring 2025 Comparative Cognition Lab Research Assistant Position.

Applicants that can start immediately and can work throughout the summer will be prioritized. Applications received by **April 16th** will be promptly reviewed for immediate and summer participation. Applications received after **April 16th** will be considered depending on lab availability. Interviews and available positions will be offered on a first come first serve competitive basis.

Provide the following information:

- (1) Summary of prior research experience--if any (2-4 sentences):

- (2) Summary of prior animal handling experience—if any (2-4 sentences):

- (3) Brief description relevant classes --current or prior (2-4 sentences):

- (4) Write a 200-250 word summary below describing why you are interested in working in this lab.

- (5) Write a 200-250 word personal statement describing the ways you would be a good fit for the position and the research in this lab.

- (6) Attach current resume.

- (7) Attach availability to work **Spring 2025 and Summer 2025** (tentative time blocks available M-F).
